

Wine Tastings Packages

by Tell Me Wine

About us...

Tell me wine is a wine shop located in the centre of Chepstow and runs by 2 French Lovers : Chris and Fabien .

The idea of the shop comes from their love of wine, both having extensive experience in the Languedoc local wine producing region.

Fabien is our business develop manager and he's looking after expanding our range with finding perfect wines and producers in UK and abroad.

Chris is most of the time at the shop in order to advise our customers, assist and educate them in their choice. She is in charge of accounting, marketing and as a former wedding planner she is the point of contact to arrange all details for wine tastings, evening wine-related events, deliveries for weddings and corporate events. She is here to help you fulfil your projects.

They both lead wine tastings and events as well as provide bespoke wine lists for personal cellars, private and corporate events.

The Team

Fabien was born in Meudon la Forêt very close to Paris and spent almost 20 years in the area of Montpellier. Fond of Literature and Rugby feel free to challenge him with any questions you may have on these topics!

Chris is Fabien's wife and was born in Paris close to the Eiffel Tower. As a former gymnast she coaches Artistic Gymnastic at the Kestrel Gymnastic centre as a volunteer. If you want to learn French ask her, she's a tutor as well.
